

## Quality Policy

Installit AS strives to conduct its business by committing to our customers and fulfilling their requirements at the agreed quality.

We provide experienced and qualified personnel and teams that combine theoretical expertise with practical experience in order to engineer cost efficient and robust solutions.

In order to achieve this:

- We build a mutually profitable relationship with our customers, ensuring their long-term success, through the understanding of their needs.
- We make continuous improvements a focus of our everyday activities.
- All individuals shall take personal commitment in the quality of their work.
- Operate in accordance with ISO 9001:2015, relevant regulations and agreed standards.
- We adhere to our processes in our quality management system.
